Select Employment Experience:

Adjunct Professor, Lecturer III Baldwin Wallace University Berea, OH	<i>January 2023 – Current</i>
<ul style="list-style-type: none">Delivered engaging in-person film courses that focus on history, cultural criticism, and theory to classes of around 12-22 students.Received first-rate feedback from students that praised my enthusiasm, knowledge of the material, professionalism and involvement. (Examples upon request)Promoted student involvement and assessments through in-class discussions, hands-on activities, collaborate group work, weekly screening reports, reading review assignments, and critical essay submissions.Constructed unique and comprehensive surveys for “special topics” courses that cover different genres, filmmakers, or movements in film history to ensure that no course requirements become stale for the students in the program.Delivered digital content to students using the Canvas Learning Management System.	
Course Instructor Ohio University School of Film Athens, OH	<i>January 2020 – Current</i>
<ul style="list-style-type: none">Designed and independently delivered superior in-person, synchronous virtual, and asynchronous online courses to around 20-25 students. Received superior feedback ratings (>4.80 out of 5) in addition to qualitative praise for my planning, activities, enthusiasm, and professionalism.Encouraged engagement through in-class discussions, hands-on activities, weekly screening reports, and reading review assignments. Utilized BlackBoard for students to submit their work.Transitioned the course online during the COVID-19 global pandemic by utilizing online teaching materials such as VoiceThread to deliver lecture content, BlackBoard to stimulate discussions, and Panopto to screen films for class.
